People Improving Communities And Kids — The Heart Of The Grange

P.I.C.K. helps expand the vision and explores new avenues of funding which will enable the members to create interest in the Grange. PICK is a 501c3 organization. All Donations to PICK are Tax-exempt.

PICK can partner with your Grange when you need a 501c3 status to accomplish a project. Contact the secretary for details.

Specific areas of interest to PICK are as follows:

- **Mandy Project** — We supplement applications received by CSG as needed.
- **Youth and Juniors** — We support educational camps, seminars, workshops and retreats focusing on leadership, strengthening community involvement, developing and enhancing awareness of cultural and social unity specifically for Youth. Granges desiring to start a program needing some financial assistance can apply to PICK.
- **Community Improvement** — We encourage Granges to continue to bring Community Improvement Projects to their community. This includes keeping their building up-to-date and usable, thus a need for Capital Improvement Projects is in order and we will assist Granges in seeking grants for Capital Improvement Projects. An Emergency Project Fund

has been established. Contact PICK secretary for details.

- **Women's Resources** — Educating the community about safe and proper methods of food preservation is quickly making a comeback. The Grange can be a leader in making sure men and women who are interested in food preservation are educated and well informed. We encourage each Grange to sponsor a food preservation program using a reliable source to conduct the workshop. If funds are needed to obtain a reliable source and your Grange does not have funding you can apply for partial assistance. Proof of completion of the workshop is required. If funds are requested the following information must be included:

Grange Name and Number, Contact Person, Address, Date of workshop, Name of workshop expert, Qualifications of workshop expert. Thirty days following the workshop's completion the Grange seeking funding must report the outcome of the workshop and provide one photo. This report can be sent via email. We would like to know how many attended the workshop. Funding must be returned if the Grange fails to report within the 30 days.

- **Women's Health Issues** — are unique and we encourage you to consider hosting an educational program on a health issue that is important to your community.
- **Creative and Performing Arts** — PICK will supplement prizes for contests open to non-members. We will help Talent participants with travel expenses to the National showcase.

Community Service

Lisa Mittan, Director

4951 W. 66th Ave., Arvada, CO 80003

720-413-4106

mittan42@msn.com

Watch for Community Service suggestions in *The Colorado Granger* throughout the year. The first suggestion here is to keep a notebook at your Grange for any member to record their volunteer activities and hours since they were last there. At each meeting, as you go through reports from each of your areas (Legislative, Agriculture, Community Service, etc.) have the members talk about their own volunteer activities since the last meeting, in addition to any reports your Community Service person has to share.

Participation in the State programs: Deaf Education, Mandy Project, P.I.C.K, Emergency Relief Program, Family Activities, Junior Grange, and Youth Grange projects will certainly count toward Helping Hands.

All three of the Community Service forms mentioned below must be submitted for the Community Service 1st place winner to be eligible for the National Community Service Contest.

September 1, 2022 —

DEADLINE FOR CONTEST REPORTS.

Community Service Additional Information Form

A combined contest report form will be sent to each Grange.

COLORADO GRANGER

The 15th of the preceding month is the deadline for articles for the *Colorado Granger*. You can send them to the State Grange Office, 7629 County Road 100, Hesperus, CO 81326, or email coloradogranger.org.

It is also available by email and on the Colorado State Grange Website, so it can be filled out on a computer. Please refer to the instructions in the Lecturers' Star Awards section of this Handbook, and on the form itself, for more details on how to complete and submit the combined report form. Please reach out to me if you have any questions or would like any clarification at all.

Helping Hands

The Helping Hands form is for you to keep track of your Grange members' projects and hours spent volunteering on them. Everyone helps someone at some time. Everything you and your Grange do to help your community or individuals qualifies. Examples are: helping at Church, the Library, the Museum; helping your neighbor cut wood, fix a door, feed their pets; visiting a nursing home, a hospital, a sick friend; and time you spend at the Grange Hall for community service events. Although the hours you spend doing a project are not nearly as important as the project itself, sometimes it is enlightening to see how much time you actually spend helping others. This report is the place to put those hours you've tracked throughout the year. *Time spent on maintenance or cleaning of your own Grange hall is not considered hours to be counted for Helping Hands.

Empty Plate

Feeding the hungry and helping others through food can be an ongoing project for each Subordinate Grange. Did you start a community cupboard; do you have an ongoing community cupboard; did you adopt families during the holidays; did you designate your Grange as a distribution point for Angel Food or another program; do you go to a food kitchen and feed the hungry/homeless; do you sponsor Free meals at your Grange? When reporting on projects under the Red Star or any of the other Community Service related Stars, make a note if you're calling out the project as applying to either Empty Plate or Helping Hands (or both).

The purpose of the Mandy Project is to help children with hearing loss to become productive citizens and to provide assistance to a family experiencing hardship due to a child's hearing loss.

As many children will be helped as possible and as funds are available. Families with a child who has a hearing loss will be chosen through the application process to receive funding assistance to help cover costs of hearing aids, speech therapy, surgery, or other related expenses.

Brochures can be obtained by contacting the State Director.

Granges who sponsor a special fundraiser or make a donation to the Mandy Project will receive a special certificate at State Convention.

Every Grange should have a "Do You Know the Signs" poster up in their hall or in the building where they meet if at all possible. Brochures with the same information are available and should also be available for distribution at your meeting place.

Granges are encouraged to give these posters and brochures to their local schools, pre-schools, and Kindergarten classes. Early intervention is important to a child's learning when hearing loss is involved. Posters and Brochures can be obtained through the Mandy Project Director.

National Grange Deaf Awareness Grant Program

For many years the National Grange conducted an active Deaf Awareness Program which led to many valuable projects that enabled our members to learn more about deaf people and their challenges. In many cases, great relationships were also built with the deaf community. A fund was developed within the National Grange Foundation for the purpose of supporting deaf activities within the Grange. Because funds are still available, this grant program is being offered to assist states with funding various deaf awareness activities.

Grant application is available on the National Grange web site. They are due to National by May 1. Community Granges can apply through their State Grange. Any state Grange is eligible to apply for a grant to assist with a worthwhile project that may be planned within the state. The State Mandy director should receive the applications by April 15 in order to

review the application.

Grants up to a maximum of \$1,000 will be awarded to each approved application, and will be awarded to the State Grange. The State Grange will have the option of transferring those funds to the Community or Pomona Grange conducting the deaf activity included in the grant application. A maximum of two grants will be awarded each year.

Grants may be awarded for any project that enhances deaf education. Preference will be given to high-quality activities that involve significant numbers of individuals. Creativity and uniqueness of the projects will also be factored into the selection process.

The application should be in document form and include the following information:

Name of State Grange - Name and Address of Contact Person - Date of Application - Name of the Project - Description of the Project - Anticipated number of people involved - Anticipated impact on the Grange (State and/or Local) - Anticipated impact on the Community or State - Other anticipated results of the project
