Potluck, Planning, Hobby Night

Friday, September 21 we will be having a potluck supper along with a planning meeting for lecturers programs, Community Service projects and Women's Activities programs along with a HOBBY night.

So bring a potluck dish and some samples of your hobbies that are appropriate to share with a mixed crowd. We will begin the potluck supper at 6:30 p.m. Hope to see you there and be sure to invite anyone who might want to share a hobby or have some new ideas for programs and projects.

Put your thinking caps on and think about what you would like to see us continue from the past, or bring back, or something new that we haven't tried. This will also be an opportunity to be involved in the planning and execution of the ideas we settle on.

Your help is needed!!!!

With the September 29 breakfast canceled we need to get the word out. So please tell everyone you know who usually comes.

UPCOMING DATES

Manna Soup Kitchen

Thursday, October 13 Marvel Grangers made Sweet Potato Souffle for their annual Soup Supper. Thanks to Sheryl and Roger Ayers, Janet and Larry Cordell and Cindy Greer for helping. We made short work of the 11 pans of souffle.

We've been asked to prepare Sweet Potato Souffle (I think) for their Christmas dinner, so keep that in mind when December rolls around.

Colorado State Grange Session

Once every three years the Colorado State Grange Session/annual meeting is held on the western slope. 2012 is that year and it will be held at the Masonic Lodge in Bobo park. Thursday evening is the once a year opportunity to take the state degree (6th). This year the Pomona degree (5th) will also be given and if you have not had the 5th degree or are not a Pomona member you will need to come and take that degree also. The last "Colorado Granger" has the details.

Any Grange member may attend most the the state meeting. Only delegates have a vote, but it's an experience you may want to take part in to see the policy making process the Grange goes through in our state, which also gives you an idea of what the National Grange goes to develop policy.

Speakers at the convention will be National Lecturer, Pete Pompper; County Commissioner Kellie Hotter, and past senator Bruce Whitehead.

We hope to have some Marvel Grange youth and juniors opening the state session on Saturday morning. The Final Banquet on Saturday night will honor Outstanding Grangers for the State and I hear it's someone from this area. There is a deadline to purchase tickets.
